

4 BENEFITS OF MEDIATION INTEGRATION WITH COUNSELING PRACTICE

1 CLARITY

You can clearly and directly address misconceptions and misunderstandings between clients, while providing them with alternate dispute resolution skills & practices.

2 GOAL ATTAINMENT

Mediation resolves conflict, assisting clients with mutual goal attainment for all parties involved.

3 TOOLS & APPLICATIONS

Use your specialized training to diffuse emotional conflict and equip the parties with dispute resolution tools and practices.

4 CONSERVING RESOURCES

Financial, time-related, emotional, and other resources can be conserved with a thoughtful mediation strategy.

The extensive training counselors receive prepares them to assist clients in (a) understanding emotional and psychological needs in order to (b) reach shared goals, which is the ultimate goal of mediation.
